Hi My Dear,

If you need me to join your company, I am ready now.

Maybe you ask: Why Me?

I can upgrade your company to save more money and time.

I can do a lot, such as but not limited mentioned below:-

1. I have good relationships with RTA, DEWA, DDA, DM, EMPower, Nakheel, Meraas
2. I study any building to avoid any mistakes and discrepancies by 3D design "To know how it be, just click the link below" "<https://www.youtube.com/watch?v=eWLa1bUXsUY>"
3. I prepare a Good System to Start Projects & handover to DM Then to a client.
4. I have good relationships with banks and clients for any loan or performance bond.
5. I manage Full Site By a new system that can give you the highest productivity from Labour at the lowest cost.
6. I make cost control for all material at the site.
7. I make a good system by Excel Sheet to show all Activity Running, Material & manpower Required Daily, Weekly & Monthly at the site to save more Time and Money.
8. I prepare all variation and PC & Ps adjustment & payment for subcontractor
9. I Prepare As-Built Drawing for MEP and Civil Work for any Building.
10. I prepare full ID Design for Building.
11. I Calculate all Qty quick and accurate for any Building.

I promise you, I will customize myself for your company to upgrade whatever can get more benefits and money.

Therefore, I'm very excited to apply for the position of Civil Engineer in your company to suggest some of the best ideas.

I would welcome the opportunity to discuss this application with you further and look forward to hearing from you.
