

CURRICULUM VITAE

MOHAMMAD HALEEMODDIN SIDDIQUI

Mechanical Engineer/CAD Modeler

Mechanical engineer with overall experience of 2 years in mechanical designing and drafting. Experience in preparing 3D Models for representation. Expertise in machinery designing.

mohdhaleemoddin@gmail.com

+971-527407705, +91-9154058768

Expertise

Problem Solving	Technical skills	Creative
Analytical Skills	Logical Reasoning	Team building and leadership
Communication skills	Mentoring	Documentation

Skills

- Good command of technology and tools.
- Strong team collaboration skills.
- Experience in designing mechanical equipment using AutoCAD, Solid Works and Engineering drawings.
- Good practice in Creo, Catia and Ansys.
- Quick learner and independent with strong leadership and critical thinking skills.
- In-depth knowledge of designing, manufacturing, maintenance and quality control process.

Relevant Experience

ABLE MANUFACTURERS – Hyderabad, Telangana, India

Feb(2020) – Feb(2022)

Mechanical CAD Engineer

- Creation of 3D Models for Virtual representation of clients using Solid Works.
- Preparing Budgetary Quotations for customers.
- Creation of 2D drawings for fabrication purpose.
- Created drawings/models of food processing machinery such as Spices Grinding units, Storage tanks, Vibro sievers, Ribbon blenders, Hammer mills, Impact mills, Conveyors etc.

BIO CARE NATURALS – Hyderabad, Telangana, India

May(2021) – Dec(2022)

Sales Promoter (Part Time)

- Promoting of the Bio care products of the brand LAORIL such as detergent powders, dishwash liquids etc.
- Increasing sales by organizing events, exhibitions and store visits.

TEK NINJAS – Hyderabad, Telangana, India

Sept(2021) – Feb(2022)

IT Recruiter (Part Time)

- Prescreening and sourcing the candidates.
- Sourcing the candidates from different platforms like Naukri, Indeed, LinkedIn, Monster, and Ceipal.
- Filling out the requirements of the companies with suitable candidates.

DTP Operator

- Creating the agreements, Rental agreements, Sale deeds. Etc.
- Editing the photos as required by using the software Adobe Photoshop and Corel Draw.

ACMI Industries – Hyderabad, Telangana**Jan'20 – Feb'20 (2020)****Intern**

- In depth study was done on Designing, Manufacturing, Quality Control, Quality Assurance and Supply Chain Management of the Aluminum alloy components – AlSi7Mg & AlSi10Mg.
- Gained a lot of practical knowledge by understanding the use of theoretical concepts in real life.
- The training gave an opportunity & immense exposure with the availability of heavy machinery & tools.

National Small Industries Corporation Ltd – Hyderabad, Telangana**May'12 – May'23 (2019)****Training Course**

- In depth study was done on Total Quality Management (TQM ISO – 9001: 2001).
- It includes Quality testing, Quality Assurance, Quality inspection and problem solving.

Garuda 3D – Hyderabad, Telangana**Oct'30 (2017)****Workshop**

- In depth study was done on 3D Printing.
- It includes Designing, Printing and Testing.

Projects and Seminars**PROJECT**

Title	: Manufacturing of AlSi7Mg Components
Description	: An Aluminum alloy components are manufactured. The alloy composition used for Manufacturing of components was AlSi7Mg. The entire process from purchasing of Raw material till dispatching is done.
Duration	: Feb'11 – Mar'11 (2019)
Role	: Team Leader
Team Size	: 4 members

PROJECT

Title	: Mini Refrigerator With Thermoelectric Cooling
Description	: A portable refrigerator which works on the principle of thermoelectric cooling and the capacity that can be stored to cool is 2Ltrs.
Duration	: Oct'15 – Nov'15 (2019)
Role	: Team Leader
Team Size	: 4 members

SEMINAR

Title	: Rapid Prototyping Technology (3D Printing)
Description	: This technology includes the techniques of ancient period such as topography, Photo sculpture and 3D Printing. The various methods used to print 3D Components are explained in detail.
Duration	: 16 th Oct,2019
Team Size	: Individual

SEMINAR

Title	: Computer Aided Designing
Description	: The Designing of objects with the aid of computer technology is explained. Also the various software's in which the designing can be done for the faster process is explained.
Duration	: 16 th Mar,2020
Team Size	: Individual

Education

- Bachelor of Technology in Mechanical Engineering from Global Institute of Engineering & Technology, Moinabad, Hyderabad (2016-2020).
- Intermediate (M.P.C) from Safa Junior College, Red Hills, Hyderabad (2012-2014).
- S.S.C from Vivekananda High School, Telangana (2012).

Additional Information

- Co-Ordinated a Two-Day National Level Techno-Cultural Fest (ORSA 18)
- Certificate of Merit for Project Expo at the “National Level Techno-Cultural Fest (ORSA 17)” at GIET, Hyderabad.
- Certificate of Participation in Volley Ball at the “National Level Techno-Cultural Fest (ORSA 17)” at GIET, Hyderabad.
- Certificate of Participation in Rotaract Leadership Conclave at GIET, Hyderabad.
- Volunteered National Service Scheme (NSS) Programs Conducted by the Ministry of Youth Affairs and Sports of the Government of India.
- Certificate of Achievement in Hand Writing Competition at Bright High School.
- Certificate of Appreciation in Aarohi Blood Bank for donating blood (2018).
- Achieved a trophy in State level Cricket Tournament for Winning as Runner ups at MAMHS, Hyderabad.

Technical Skills

AUTOCAD	SOLIDWORKS	CREO
CATIA	ANYS	PHOTOSHOP
CORELDRAW	MS OFFICE	

Personal Information

Date of Birth	15-06-1997
Nationality	Indian
Languages Known	English, Hindi, Urdu & Telugu.
Interests	Sports, Travelling, Adventure, Gaming and Learning New Skills.
Visa Status	Visit Visa – D.O.E: 13 th June,2022
Passport No	U8718801

Declaration

I hereby assure you that the above information is true to the best of my knowledge and if given an opportunity, I will prove to be worthy of your confidence.

Date:
Place: Abu Dhabi, UAE
