Hello !

## Here is my Portfolio

---

I Love Designing my key strengths are visual & interaction design and also possess coding skills. I guess my little (if you believe in them) would be "Generalist designer".

Graphic Design Specialist with 14+ years of experience in the management of the complete design process, from conceptualization to delivery. Expert at interdepartmental coordination and communication. Skilled with Adobe Creative Suite (Illustrator, Photoshop, InDesign), and Adobe After Effects, Premiere Pro applications. Able to stretch the boundaries of web design and digital storytelling to help my client's brands stand out.
