SUMMARY

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. As a graduate with six years' of experience in India, I am excellent in working with others to achieve a certain Objective on time and with excellence. I am an open-minded, friendly and resourceful project leader with a sound and optimistic outlook on all things in life. I possess an excellent ability to motivate others, coupled with the ability to communicate comfortably at all levels, therefore ensuring an excellent working environment for all members of the team to perform at their best.

Now looking forward to making significant contributions in an ambitious and exciting company that offers a genuine opportunity for progression.
