---

**EXPERIENCE**

SOUNDARYA DECORATIVE PRIVATE LIMITED – **Assistant Manager, Design**  
*Chennai, India / Mar 2024 – August 2024*

Successfully contributed to developing various types of residences, showcasing versatility and adaptability, and handled **End-to-end** project management tasks, from **Conceptualization** to **Execution**

- Participated in the Magnum project of India in Mumbai which is part of **Reliance** called **Jio World Center** and helped with Drawings of the Interiors
- Preparing Execution drawings for **Taj Group of Hotels**.
- Choosing appropriate materials, finishes, furnishings, and fixtures that complement the design concept and meet the client's requirements and budget.
- Presenting design proposals to clients, including 2D and 3D renderings, mood boards, and material samples to illustrate the proposed design concepts.
- Coordinate and collaborate with contractors and other professionals to ensure the design vision is implemented effectively and within the specified timeframe.
- Inspecting Design after completion to ensure the client's Goals have been met.

LivSpace – **Interior Designer / Architect**  
*Chennai, India / August 2020 – Feb 2024*

Involved in **Interior Planning and design** for diverse Residences and Commercial projects, excelling in Modular Works, showroom product explanations, and efficient project handling

- Handled 3D visualizations to provide clients with a clear and immersive understanding of proposed designs.
- Prepared Bills of Quantities (BOQ) for projects, showcasing proficiency in budgeting and cost management.
- Producing conceptual renderings for project designs and presentations.
