

# SHIEK MOHAMMED JUNAIDH

**Qualification:** B.E (Mechanical Engineering)  
**Email:** junaidhmohd777@gmail.com  
**Phone:** +918105029700

---

## Career Objective:

A Mechanical engineering candidate looking to make a career in the field of mechanical installation and sales, servicing and maintenance, oil and gas, plant maintenance, heavy equipment's, production, NDT by continuous learning and contribute to the organization goal in whichever position I hold.

**Positions:**Any starting position as trainee, NDT Inspector,Assistant supervisor,Assistant technician.

**Expected salary:** 1000 to 1200 AED with food and accommodation (anything around 18000 to 25000 Indian rupees with food and accommodation)

## Technical skills:

Certified in Non-Destructive Testing (NDT) as per ASNT level 2, SNT TC 1A 2011, ASME section V standards in following methods.

- Radiography Testing
- Ultrasonic Testing
- Penetrant Testing
- Magnetic Particle Testing
- Certified in quality control and welding inspection as per ASME Level-II standards.
- Certified in piping and instrumentation diagram as per ISA S 5.1 standards.
- Certified in quality assurance (QA) as per ASQ standard.
- Certified in client management and business to business marketing.

## Educational Qualifications:

Qualifications	University/board	Year of passing	CGPA/ Percentage
B.E (Mechanical)	Sahyadri college of Engineering and Management,mangalore (VTU,belagavi)	2021	8.14 CGPA
12 <sup>th</sup> standard/PUC	St.Aloysius Pre-university college,Mangalore (Karnataka state board)	2017	85%
10 <sup>th</sup> standard/SSLC	St.Aloysius High school,Mangalore (Karnataka state board)	2015	84%

## **Areas of interest:**

- Installation, servicing, maintenance, repairs and replacement and after sales servicing for different mechanical systems (like elevators, HVAC, medical equipment's, heavy equipment's).
- Different oil and gas systems like boilers, industrial piping, reactor maintenance and others.
- NDT testing, welding inspection, instrumentation and piping, site coordination.
- NDT work in shut down and plant maintenance contract
- Interested in mechanical sales and client management..

## **Strengths:**

- Proper understanding of different mechanical fields and ready to face challenges in the field.
- Willing to work in any field related to mechanical.
- Willing to travel anywhere for mechanical field related projects and work in any climatic conditions.
- Willing to do technical as well as sales related work.
- Willing to work with people of any qualifications like technicians, helpers and engineers for mechanical field related work.
- Willing to work for any starting salary provided in the mechanical field.
- Having an attitude of patience and hard work and long-term commitment to grow in the field of mechanical.

## **Internship Experience:**

### **Elite Engineering Industries,Mangalore.**

**Duration:** 1 month

#### **Experience gained:**

- Was able to work study basics of mechanical fabrication of pressure vessel, storage tanks and heat exchangers.
- Able to work on base of drawing for construction, fabrication and erection.
- Observed various activities in the industry and understood the Various fabrication methods such as arc welding, plasma arc cutting ,GTAW etc.

### **DSAJ Precisions private limited,Mangalore.**

**Duration:** 1 month

#### **Experience gained:**

- During my training period i worked as machine operator, and also undergone training in machine maintenance.
- Worked in the Department of Quality control in a 100% precision turned components export oriented unit, which includes watch parts, medical implants and electronic components.

## **Project Work:**

### **Exhaust Carbon Filter and Utilization:**

The Aim of this project is to deal with the toxic and harmful gases emitted from the automobiles.

### **Pneumatic Sand Ramming Machine:**

To operate this rammer an air compressor is needed a butt which is attached to the bottom of the piston rod does the operation of ramming.

## **Software skills:**

- Autocad
- Solidworks
- MS-word
- MS-excel
- MS-powerpoint

## **Hobbies:**

- Playing indoor and out doorgames
- Cycling

## **Extra Curriculars:**

- Placement coordinator for batch 2017-18
- Participated in an National Technical Event “**Terra Technica**” which was held at **NIT, Delhi** in 2018.
- Completed “**Tritiya sopan**” badge in Bharath scouts & guides

## **Personal Details:**

Father Name: Sheikh Mohammed Rahamathulla

Mother Name: Shameem Banu

Languages known: English, Kannada, Hindi, Urdu.

Address: “Kausar Manzil” ashok Nagar post, Derebail konchady, Mangalore, Karnataka, India

Nationality: Indian

Passport no: S5630492

Driving Licence: yes(india)

Email Address: junaidhmohd777@gmail.com

## **Declaration**

I hereby declare that the above details furnished are true and best of my knowledge.

**Place:** Mangalore
