GAURISH NAIK

Sr. QAQC Engineer

PROFESSIONAL SUMMARY

Senior Quality Assurance Quality Control Engineer with over 14 years' experience in steel construction (Fabrication/Erection) projects like infrastructure, onshore, marine, Ship building. Successfully lead a team of QC Inspectors, NDT technicians & sub-contractor QCs. Technical assistance in Design, Procurement, quantity surveying

Looking for position of **Lead/Sr. QAQC Engineer, QAQC Manager**

KEY SKILLS

- ♦ *Establish* - Project Quality Plan (PQP/QAP)
 Method of Statement (MOS)
 Inspection & Test Plan (ITP)
 Task Risk Assessment (TRA)
 Material Approval Submittal (MS)
 Welding Procedure Specification (WPS/PQR), Welder Qualification (WQT)
Procedures - Fabrication, weld repair, blasting/painting, erection, fire proofing
- ♦ *Implement* – ISO Quality management system, internal Audits, feedback
- ♦ *Inspections* - Welding, painting, bolt torqueing, fire proofing, cladding
- ♦ In depth Knowledge of fabrication construction codes - BS EN ISO, AWS, ASTM
- ♦ Proficient with Microsoft Office – Word, Excel, Power point
- ♦ Excellent Interpersonal communicating and writing skills
- ♦ Excellent time management skills with a proven ability to meet deadlines
- ♦ Strong supervisory and leadership skills

PROFESSIONAL SUMMARY

NASCO STEEL CONSTRUCTION LLC, Dubai, UAE

Position – Sr. QAQC Engineer

(July 2019 to Present)

Reporting to - COO

- Review Contractual documents, Project Specification to assess Project Quality requirement & cost analysis
- Devise & establish quality procedures, standards, and specifications for a project
- Study project timeline and devise Quality team accordingly
- Develop Vendor for lab testing, NDT, sub-let fabrication works, galvanizing
- Participate in project kick-off meeting
