BIO DATA	Marital Status Married. Gender: Male. Religion: Islam Nationality: Kenyan DOB : 27/11/1984
OBJECTIVE	<p>To conduct all tasks diligently, in a professional and consistent manner with due regard to timeliness.</p> <p>To hold a challenging position in an ethical organization as I work towards the organization's vision and mission</p> <p>To be well conversant in providing security and intelligence services efficiently and effectively and to deliver output for which I have responsibility within prescribed time, cost and quality.</p>
PROFILE	<p>I am a very responsible and mature thinking individual who is very keen on protecting and ensuring the area, person or property I am protecting is kept safe at all times. I thoroughly enjoy my work as a Security Officer and have been responsible for guarding many different aspects including protecting the President, Dignitaries and Government buildings and also property and people with valuables. I am a self-motivated individual who can work well on my own initiative as well as part of a team and I have had experience in both areas.</p> <p>I am a positive person who likes to see the best in people but understand that in my role, you have to be guarded and careful on the property or person you are responsible for. I enjoy the responsibility and am looking to continue my career for a long time to come.</p>
