OBJECTIVES

Dear Sir/Madam I am writing to express my interest in joining a Hospital, Medical Center, Home care and School clinic as a Certified Nursing assistance (CNA). I would like to achieve my personal and professional goals at local and global level as a health care professional or health care workers. I developed a great and strong foundation in Nursing that without health a person has great difficulty attaining a substantial quality of life. Assistant concept and principle including Client Center Care, holistic care involve healing the mind, body and soul of the patient. Learning group dynamics on how to interact and communicate high emotional intelligence. share governance achieving quality care and the most importantly the need for flexibility in terms of working hours. I think critically and working collaboratively with my colleagues. and other health care professional. I have cultivated communication skills that improve the quality of my patients care and my ability to participate meaningfully in team work processes. The attach resume details my education, Certification, qualifications and skills. I will be delighted to be part of your organization, as a Certified Nurse Assistance and to give back to the community my experience and gratitude that have learned. I will welcome the opportunity to meet or call for interview so that we can discuss the possibility of working with your organization. I am open to work in any part of this Country (UAE) at large and any part of the world. Please feel free to contact me if you need any further information about me. Thank you for taking your time to consider my application.
