

Mohamed Atef

Junior accountant

Work to develop the company that I work for and help it achieve its goals by participating with the team where we consult and plan in a scientific way so that we achieve the company's goals. An experienced salesman with a wide range of experience in sales and marketing functions, work on own initiative, and proven leadership skills include developing and motivating others to achieve their objectives. I'm seeking to work a long term job with an organization which provides promising career advancement. I am presenting this resume to gain a great experience and a full time job considering my work experiences background and my computer skills.
