● ABOUT ME

Experienced Civil Site Supervisor and Inspector with over 7 years in the construction industry. Proven expertise in overseeing site operations, conducting thorough inspections, and ensuring compliance with project specifications and safety standards. Skilled in coordinating with multidisciplinary teams, resolving on-site issues efficiently, and maintaining high-quality construction standards. Adept at managing resources, documenting progress, and training staff for optimal project outcomes.

● WORK EXPERIENCE

08/2017 – 09/2019 Lahore, Punjab, Pakistan

CIVIL SITE INSPECTOR TECHNO LEGAL CONSULTANT

- Inspected construction sites to ensure compliance with approved plans, specifications, and regulatory requirements.
- Conducted detailed inspections of structural components, such as foundations, framing, and concrete work, to verify quality and adherence to standards.
- Documented and reported findings from inspections, highlighting any deviations or non-compliance issues.
- Collaborated with construction teams to address and resolve inspection-related concerns promptly.
- Reviewed construction materials and workmanship to ensure they met the specified standards and industry best practices.
- Provided recommendations for corrective actions and followed up to ensure deficiencies were addressed.
- Ensured all safety protocols were strictly followed on-site, conducting regular safety audits and reporting hazards.
- Attended project meetings to provide updates on inspection findings and contribute to discussions on quality control measures.

05/2021 – 06/2023 Pakistan

CIVIL SITE SUPERVISOR IMTIAZ HUSSNAIN & CO

- Supervised the day-to-day operations on construction sites, ensuring all activities adhered to project specifications and timelines.
- Coordinated with subcontractors, architects, and engineers to ensure effective communication and resolution of on-site issues.
- Monitored progress and quality of work, implementing corrective actions when necessary to maintain high standards of construction.
- Conducted regular site inspections to ensure compliance with safety regulations and building codes.
- Managed and documented material deliveries, inventory, and usage to ensure efficient resource allocation.
- Prepared and submitted daily, weekly, and monthly progress reports to project management and stakeholders.
- Facilitated site meetings to discuss project updates, address concerns, and plan upcoming tasks.
- Trained and mentored junior staff and new hires on site procedures, safety practices, and quality standards.
