PROFESSIONAL SUMMARY

A meticulous, hard-working, and focused professional who has a long track record of identifying probable risks, preventing accidents, and implementing safety regulations. Daniel has considerable experience in a Health and Safety role and is an expert in the fields of drawing-up safe operational procedures and making recommendations following any accidents or incidents. He is team-oriented, resilient and has a self-consistent personality, along with a very precise and goal-oriented working style. Right now, He is looking for a permanent position with a company where there is future potential for promotion based on individual performance.
