Extensive experience in executing full life-cycle development projects; ramping-up projects within time, budget & quality parameters; targeting assignments in **Project Management**

Education & Credentials

- Bachelor of Technology (Civil) from Dr. M.G.R. Educational & Research Institute, Chennai under Dr. M.G.R. University in 2010
- B.Sc. from N S C B Memo Post Graduate College, Hamirpur under H.P.U, Shimla in 2007

Profile Summary

- A competent professional with nearly 10 years of experience
- Provided engineering design and related services that supported company's design-build construction business/group managed pre-construction planning and services
- Skilled in C, C++, Windows XP, Vista, 7, AutoCAD, Revit Architecture, Revit Structure, Structure Detailing, 3DS Max Design & Primavera P6
- Promoted standardization to optimize cost, resources, time & monitored compliance also possess skills in preparation of construction schedule
- Experienced in managing the projects including organizing and technical aspects in implementation, troubleshooting and analysis for improvements along with providing Architectural Drawings & Estimation Costing
- Possess excellent relationship management skills with Consultants, Architects, Engineers, Clients, Vendors, Suppliers & Subcontractors

Certification

Associate in Revit Architecture 2010 from Autodesk

Key Impact Areas

Project Management

Liaising & Coordination

Architectural Designing

Site Administration

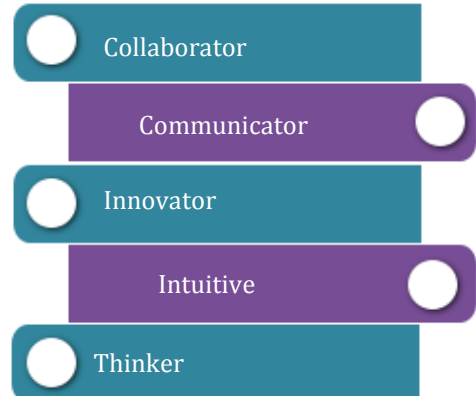

Quality Assurance

Complaint Management

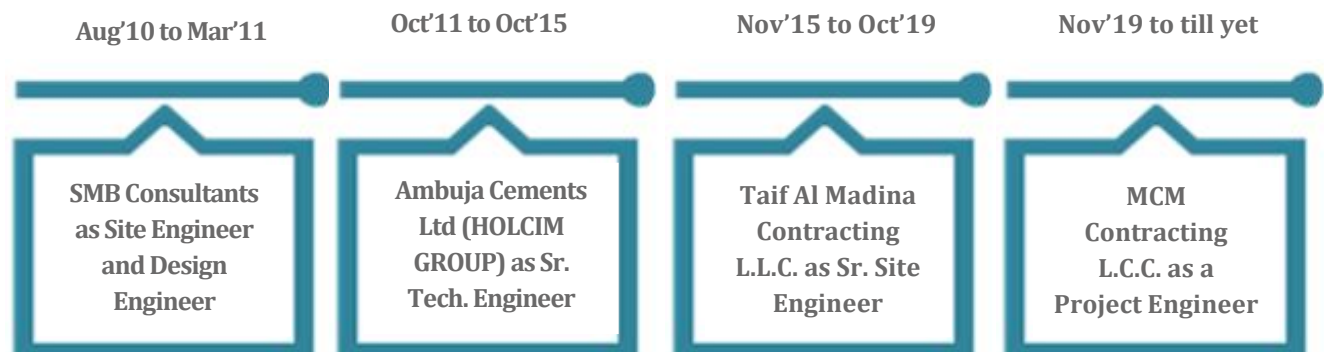

Validations & Testing

Reporting & Documentation

Soft Skills

Career Timeline

Professional Experience

MCM Contracting L.C.C., Dubai as a Project Engineer

Since Nov' 19

Growth Path:

Project Engineer: Since Nov'19 to Yet

Taif Al Madina Contracting L.L.C., Dubai as Sr. Site Engineer

Nov'15 to Oct' 19

Growth Path:

Site Engineer: Nov'15 to Oct'17

Project Engineer: Nov'17 to Oct' 19

Ambuja Cements Limited(Holcim Group), RSO Chandigarh as Sr. Technical Officer.

Jun'11 to Oct'15

SMB Consultants, Bengaluru as Site Engineer and Design Engineer

Aug'10 to Mar'11

Key Result Areas:

- Providing building solutions (Architectural Drawings & Estimation Costing) to customers; managing the designing of industrial structures and high rise commercial and residential buildings and adopting methodology for optimum usage of materials
- Administering changes in project scope, identifying potential risks and developing contingency plans; creating long lead items and critical activities thus avoiding delays by planning ahead of actual execution
- Directing construction phase services such as field engineering, value engineering, shop drawing reviews, construction quality assurance and inspection
- Arranging samples of competitors & submitting to plant for testing; reviewing bills of items, BBS, safety systems
- Analyzing drawings & accordingly proving inputs to consultants; also collaborating with various vendors & contractors to control activities as per the project plan & schedule along with engineers for inspection, audits, design clarifications, issues & so on
- Monitoring onsite activities for unsafe acts and conditions to ensure such occurrences are immediately corrected or work stopped with a safe environment is restored
- Establishing effective techniques to bring efficiency, improve quality standards and achieve maximum cost savings
- Writing official letters to Building Control Authorities and Subcontractors
- Conducting the Value Engineering & Value Addition Analysis to achieve functionality, safety, speed of execution & high quality effectively

Highlights:

- Successfully executed projects for Leader Sport LLC, Construction of Ramla Super market branch in DIP-1, Dubai, Omer Mohammad Obaid, Construction of B+G+5, Residential Building & Saeed Suhail Buti Alayali, Construction of G+3 Residential Building, Construction of (8) Labour Camp Buildings (G+4 Type) at AL Ttay.
- Managed a high net-worth project worth AED 40 Million involving an esteemed set of clientele including Omer Mohammad Obaid, Construction of B+G+5, Residential Building
- Initiated the timely execution of Leader Sport LLC, Construction of Ramla Super market project within budget; implemented cost control strategies as well as effective estimates for site infrastructure.
- Successfully construction execution under progress B+G+1 Villa, FAISAL SAUD AL GURG, AL GURG CONSULTANTS, Jumeirah-1 Dubai.

IT Skills

Languages: C, C++
Platform: Windows XP, Vista, 7
Microsoft Packages: MS Office 2003 & 2007
Software: AutoCAD, StaadPro, Revit Architecture, Revit Structure, Structure Detailing, 3DS Max Design, Primavera P6

Internship

Organization: Building Construction, Hamirpur (H.P.)
Duration: 4 Weeks
Description: Worked in Earth Work Excavation, Earth Back Filling, Plinth Beam, Reinforcement Steel Work, Beam Steel Work, Slab Steel Work, Brick Work & so on

Industrial Visits

- Attended 2 weeks survey camp with all equipment in Arni, Tamil Nadu
- Visited RMC Plant at Poonamallee
- Participated in workshop: OMN Recent Trends in Modern Civil Engineering Materials and Techniques

Personal Details

Date of Birth:	27-08-1986
Marital Status:	Married
Passport No:	H8640263
Nationality:	Indian
Driving License No:	63669544 (UAE License)
Language Known:	English & Hindi
