REF: APPLICATION FOR SERVICE TECHNICIAN /TEAM LEADER AUTOMOTIVE

Dear, SIR/ MADAM

As a highly skilled automotive service technician with comprehensive experience performing a range of diagnostic, maintenance repair, auto electrical wiring and providing exceptional customer service, I am confident in my ability to make a substantial impact on company's success as your next TECHNICIAN.

My background lies in providing diagnostic services, auto electrical wiring, engine maintenance and support to technicians while communicating effectively and thoroughly with customers to stimulate trusting relationships and win repeat business.

Having refined and targeted my skills in providing vehicle diagnosis, conducting component test and programming, electrical and mechanical troubleshooting, and ensuring smooth departmental operation, I now stand prepared to dynamically benefit your team.

My qualifications include the following: Coordinating vehicle maintenance Service, Performing timely vehicle repair as per job card and performing electrical and mechanical troubleshooting, A/c refilling, and facilitate optimal shop productivity and efficiency. Possessing expertise in diverse mechanical systems—including electrical, engine, and cooling systems to optimize automotive performance.

Earning positive Customer Service Index scores and maintaining trusting and loyal customer relationships due to strong work ethic and commitment to customer satisfaction.

With my dedication to ensuring a productive, efficient, and trustworthy automotive service department, combined with my self-motivation and communication skills, I would be an excellent addition to your team. I look forward to discussing the position with you further.

Thank you for your consideration.

Yours sincerely
Kakembo Paul
