

AHAMED MUHIDEEN

ARCHITECT

ABOUT ME

With a Bachelor's in Architecture and proficiency in AutoCAD and SketchUp, I bring hands-on experience in residential and commercial design. My passion for innovative design, coupled with a strong foundation in architectural principles, positions me as an ideal candidate for the Junior Architect role at Prestige Group.

WORK EXPERIENCE

Mohammed Sroor Contracting LLC

Al Qusais, Dubai.
Jan 2024

Junior Architect, Project Manager

As a Site Engineer, I have managed residential projects, such as Villas, demonstrating adeptness in site management. My responsibilities included coordinating with subcontractors, suppliers, and on-site teams to ensure seamless workflow and adherence to project timelines.

- > As a Junior Architect, my responsibilities encompassed the meticulous review of 2D plans and 3D designs, ensuring alignment with project specifications and design integrity.
- > Additionally, in my capacity as a Project Coordinator, I was entrusted with the oversight of plan and design implementations on-site, coupled with the precise formulation of the Bill of Quantities, facilitating accurate project budgeting and resource allocation.

Junior Architect, 3D Designer

In my role at RedCarpet Architects, I was engaged in the development of 2D plans and 3D models for residential and commercial projects, adhering to specific design requirements and producing lifelike renderings. This involved close collaboration with designers and clients to bring their architectural visions to fruition.

- > In my capacity as an Architect, I was tasked with generating 2D plans tailored to client requirements and adhering to stringent norms and regulations
- > Concurrently, as a 3D Designer, I specialized in the creation and rendering of 3D models, leveraging my technical proficiency and creative acumen.
