EXPERIENCE

HCL TECHNOLOGIES | MEMBER OF TECHNICAL STAFF
July.2022 - June.2024 | SriLanka, Colombo

FRONTEND DEVELOPMENT

- I Developed an interactive, **responsive UI** with **HTML**, **CSS**, **JavaScript**, and **ReactJS**, featuring dynamic content, optimized performance, and accessibility.
- The user interface improvements led to a **25%** increase in user engagement, a **30%** reduction in bounce rate, and a **20%** improvement in page load speed.
- Achieved results with modern design, responsive CSS, reusable React components, optimized JavaScript, Webpack/Babel for builds, and enhanced accessibility.

BACKEND DEVELOPMENT

- Developed and deployed a full-stack app with **ReactJS** front end, **nodejs** back end, and **mongodb**, featuring authentication and real-time data management.
- The project improved user engagement by **30%**, reduced load times by **40%**, and cut down on development time by **25%** compared to previous projects.
- Achieved this with **ReactJS** for a responsive UI, **nodejs** for server logic, **mongodb** for scalable storage, and best practices in code reviews, testing, and CI.
