CAREER OBJECTIVE

Intend to build career in my profession with a leading company of hi-tech environment with committed and dedicated people, which will help me to explore myself fully and realize my potential and also help in serving the nation by building up highly qualified professionals. I am also willing to work as a key player in challenging and creative environment.

PERSONAL PROFILE

I am energetic, ambitious in my own interests and those of my employers persevering and reliable. I am very friendlier to my colleagues, a good model and motivator. Being well used to meeting tight deadlines, I am also quick to appraise new situations and learn new assignments. Besides, I can get along well with people at all levels and have a strong ability to persuade other people to give their best.
