## **STAFF NURSE IN MEDICAL AND SURGICAL DEPARTMENT**

### **Objective**

A challenging nursing professional position at an esteemed health care system that provides me the opportunity to contribute to my nursing and healthcare skills developed during the Nursing training “**VIDYARATNA COLLEGE OF NURSING**”.

Reliable and ethical health care provider with ability to stay calm and intervene during crisis, facilitate group and educational seminars and collaborate with multidisciplinary teams. Proven ability to build positive relationship with patients, family members, physicians and other medical professionals.

### **Prelude**

Presently working as a Staff Nurse in Medical & Surgical Department in Fortis Hospitals, Mumbai (Joint Commission International Accredited Hospital and NABH Accredited Hospital).

Actively participated in development and implementation of treatment plans for patients with broad range of health issues.
