PERSONAL PROFILE

AC Technicians, specialize in the installation, maintenance, and repair of air conditioning units. Their resumes reflect such skills as installing

AC units, repairing damages and dysfunctional parts, diagnosing and repairing systems, installing new systems and ductwork, and testing and checking major parts of AC units. While some AC Technicians learn the trade on the job, example resumes show that employers usually require applicants to have completed a secondary or postsecondary school training program in heating, air conditioning and refrigeration.

SKILLS & ABILITIES

-
- Complex problem-solving and critical-thinking skills allow for quick diagnosis of air conditioning problems and determining the best course of action for repairs.
- Sensitive to the needs and concerns of others and understand how to speak to clients who feel stressed about their HVAC repair needs.
- Excellent time management skills to ensure appointments and repairs are always done on time or early Strong command of the English language, including written and oral comprehension and communication skills.
- Proficient in a wide range of computer hardware and software used for managing customers and logging data.

EDUCATIONAL BACKGROUND

Matric-- 2005

August 2019 — Present

- Provide routine maintenance for air conditioning units, including changing filters, refilling non-toxic refrigerants, and cleaning air ducts.
- Install new air conditioning units by connecting them to their fuel, water, or refrigerant sources.
- Balance air conditioning systems by adjusting controls to manufacturer-recommended settings and educating system owners on the proper use of their units.
-

Work Experience

Car Drive

January 2014— March 2019

Follow all state regulations while operating a vehicle.

- Conduct routine maintenance, such as checking oil levels and inspecting tire pressure.
- Pick up passengers from a variety of locations and always ask for their level of satisfaction after a ride.
- Communicate with dispatchers to inform them of whenever a passenger is about to be picked up.
- Provide information to passengers about things to do in the local area.

Position: driving UAE and electrical technician in company free zone,

Hobbies and Interests

In my free time, I enjoy swimming, camping, and spending long afternoons on the lake during the summer. During colder months, my partner and I like to catch up on our favorite TV shows and check out new movies. I also volunteer at the local soup kitchen during the holiday season.
