- **Doing modification** in the existing system for the improvement of production.
 - **Troubleshooting** the problem faced during the plant start-up, shutdown and normal plant operation.
-

Assignments:

Continuous Chlorination Trial: Played a team member in this trial for 2 months

Multipurpose plant Commissioning: Supported to Project team for plant commissioning.

Effluent treatment plant: Supported to project team for commissioning and star up of ETP.

New equipment Inspection outside: Supported to mechanical Engg. Team for Equipment inspection,

Growth path

- Joint manager – Distillation plant (second plant in charge) since July 2019 to till date
 - Deputy Manager – Distillation plant since July 2017 to July 2019
 - Assistant Manager – Distillation plant since January 2015 to July 2017
 - Sr.Executive – Distillation plant Shift in charge Jan 2013 to Jan 2015
 - Management trainee –January 2012 to January 2013
-

JAIN IRRIGATION & SYSTEMS LIMITED, Jalgaon (M.S)

OCT 2010 – DEC 2011

Executive

- Served as Production Executive, handled daily production activities (as a shift in charge) in Biogas base **electricity generation plant** which is first of its kind in India where multiple raw materials used for biogas production. (Continuous DCS operated gas manufacturing Plant)
 - Trouble shooting of process problems.
 - DCS Loop and Logic testing, Interlock checking
 - In the production down time **design (PFD and P & ID) and Installation of ETP** at Baroda unit in 4 month.
 - Trouble shooting and shutdown maintenance of ETP at chittoor (AP) unit.
 - Pump operated -centrifugal, reciprocating, lube pump, Mud pump, and submersible pump.
 - To issue work permits following all **safety rules and procedures**.
 - **Trouble shooting** of process problems.
 - Co-ordination with service departments **to resolve the plant related issues**
-

EDUCATIONAL CREDENTIALS:

B. Tech. in Chemical Engineering (2010) from North Maharashtra university jalgaon, university department of chemical technology (UDCT), 67.40%

Higher Secondary Certificate (2006) from Anglo junior College, jalgaon, Maharashtra State Board, 60.00 %

Senior Secondary Certificate (2004) from Millat High School, Maharashtra State Board, 64.00%)

In-Plant Training Undergone: - One month In-plant Training in universal starch & chem. Allied ltd, Dondaicha (Maharashtra).

Awards:

- 1-Reward and recognition award for steam saving.
 - 2-Thank You card received from VP for excellent efforts in HE Breakdown.
 - 3-Appriation certificate received for working in Covid19 lockdown.
-

Technical skills:

DCS operation and control (YOKOGAWA centum CS 3000)

ISO 45001 Internal auditor and 5S internal auditor

Vacuum Distillation

Chlorination Reaction

Oracle Operation (Oracle Data management)

Microsoft Word, Excel, Power Point

CHEM CAD – simulation

C language

Certified first Aider

Heat exchanger trouble shooting

Personal Data:

Gender	:	Male
Nationality	:	Indian
Marital Status	:	Married
Dob	:	13/04/1988
Languages	:	English, Hindi, Marathi, Gujarati, Urdu
Permanent Address	:	4/B Master colony Mehrun, Jalgaon, Maharashtra.
Present Address	:	Quarter number G3/9, atic colony, Atul, Valsad, Gujarat.
Current CTC	:	9.35 LPA
Expected CTC	:	as per company standard.
Notice period	:	1 month.
