## **CAREER OBJECTIVES**

I wish to have a challenging career, which has a lot of scope for application of my skills. Ability to promote effective, proactive, safety management and to communicate across all management levels in the organization.

My objective is a safety and health program that will reduce the number of disabling injuries and illnesses to a minimum, not merely in keeping with, but surpassing, the best experience of other operations similar to ours. Target to achieve **“Our goal is zero accidents and injuries”**.

## **PROFESIONAL EXPERIENCE**

Total work experience of over 9 years of which 8 year in UAE. The break of my working experience is in the area of Construction Safety, Oil and Gas. Presently working in a general contracting company as a HSE Officer.
