EXECUTIVE SUMMARY

- Am a diploma holder in Mechanical Engineering with **about 10 years** of experience in drafting field in Refinery and Fabrication industries.
- Conversant with **AutoCAD and Tekla** structural modelling and has good skills and abilities in preparation of drawings and models.
- Have ability to work as a key player in challenging and creative environment and capable of handling assignments independently with minimum guidance.

ACADEMIC

- **Completed Diploma in Mechanical Engineering (D.M.E) – 2008**

PROFFESIONAL SKILLS

- Structural Steel Modeling using Tekla software, Checking and Editing for Off-shore Structures, Industrial, Commercial Buildings, Conveyors, High pressure Gas Flowing Ducts etc.
- Familiar with codes and standards such as AISC, IS & BS Standards.
- Extensive knowledge in Off-shore, On-shore structural and Architectural contract drawings.
- Proficient in Tekla Structures (X-Steel), Auto CAD & MS Office.
- Communication skills with Engineers, General Contractors and Erectors.
- Knowledge of steel fabrication and erection practices.

SOFTWARE KNOWLEDGE AND COMPUTER LITERACY

| | | |
|----------------------|---|--|
| DCADD | : | Diploma in Computer Aided Design & Drafting. |
| HDCA | : | Honours' diploma in computer applications. |
| Software | : | Tekla structural & AutoCAD |
| Operating System | : | Windows Family |
| Troubleshooting | : | Hardware, Backup and Restore |
| Database | : | Ms Office |
| Programming Language | : | C, C++ |
| Typing Speeds | : | 30 WPM |

PROFESSIONAL EXPERIENCE

TEKLA DRAFTSMAN" (Oct 2017 – OCT 2018)

M/s. Khalid Ali Al-Kharafi, Kuwait

- Study the structural Contract Drawings Specifications, codes, requirements & Raise RFI's if necessary.

- Propose connection details for feasibility easy erection.
- Creating Template for new Projects (Graphical & Report).
- Prepare connection details & customization macros.
- Creating 3D Model, General Arrangement drawings, shop fabrication drawings for Approval & Construction.
- Checking 3D model and shop drawings using Tekla Structures (X-Steel), & AutoCAD software.
- Generate and issue material lists for procurement to planning and contracts dept.
- Coordination with other departments.
- Preparing Estimation and Advance bill of Materials for the new Projects.
- Coordinating with client.

TEKLA DRAFTSMAN" (FEB-2017 – OCT 2017)

M/s. Indes Engineering And IT Services Private Limited.

- 3D model and shop drawings using Tekla Structures (X-Steel), & AutoCAD software.
- General Arrangement drawings, shop fabrication drawings for Approval & Construction.

MECHANICAL DRAFTSMAN (Nov 2011 - Dec 2015)

Al Shamrani Draw Bar trailers, Saudi Arabia

- Preparing detailed drawings for storage tanks & tanker and trailers for mechanical equipment.

DRAFTSMAN (Mar 2010 - 30 Aug 2011)

Nuclear power Corporation of India, Chennai (On Contract)

- Preparing detailed drawings for electrical & structural modification.

MECHANICAL SUPERVISOR (Sep 2009 - 10 Mar 2010)

Chennai Petroleum Corporation Limited, Chennai (On Contract)

- Supervising various mechanical and piping modification works in various Refinery units.

DRAFTSMAN (Jun 2008 - 21 Aug 2009)

Unique Cad Services, Chennai (On Contract)

- Preparation and conversion of piping and structural drawings and As-Built.
- Preparation of piping modification drawings, Isometrics with Bill of Materials
