

MUSTAFA DOĞAN

PERSONAL INFORMATION

NAME&SURNAME: MUSTAFA DOĞAN
DATE OF BIRTH: 28.06.1990
PLACE OF BIRTH: BÜNYAN
MARITAL STATUS: SINGLE

CONTACT INFORMATION

ADRESS: YÜNÖREN NEIGHBORHOOD NO: 203 BUNYAN/KAYSERİ/TURKEY
PHONE 1: +905438008975
PHONE 2: +905438008975
Mail: mustafadogan038@yahoo.com

EDUCATION INFORMATION

2013-2016 Electrical&Electronics Engineering
Girne American Universty
2011-2013 MECATHRONICS
Kastamonu Universty
2007-2011 Kayseri Hürriyet Anatolian Vocational High School
Industrial Automation Technologies /Automation Control

WORK EXPERIENCE

JUNE 2020/ PRESENT

ZN ELECTRICAL COMPANY
ELECTRICAL SITE MANAGER
ETI MINING BORON PLANT NEW ELECTRICAL PROJECTS/ ESKISEHIR

- >Hv and Lv Systems experience..
- >Switchgears and generators..
- >Motor,Drives and Pumps ..
- > Electrical infrastructure.
- > Scada
- > Soft Starters.
- > MCC and DCS system panels..
- >Fire Alarm Control systems..
- > VFD Systems,
- >CCTV Systems..
- >Digital adressable interface lighting systems..
- >intercommunication systems..
- >Electrical infrastructure..
- >Eye biometry and cardpass systems..
- >Voice and Announcement systems..
- >Air Conditioning systems..
- >Escape Sign systems..
- >Data and telephone systems..
- >System rooms..
- >Enviromental and building lighting systems..
- >Team Management..
- >As built project drawings..
- >Payments, Estimation and Quantity calculations..

SEPTEMBER/2019-JUNE/2020

YEO
PROJECT ENGINEER
WADI ARAB WATER SYSTEM PROJECT/ JORDAN

- >Hv and Lv Systems experience..
- >Switchgears and generators..
- >Motor,Drives and Pumps ..
- > Electrical infrastructure.
- > Scada
- > Soft Starters.
- > MCC and DCS system panels..
- >Fire Alarm Control systems..
- > VFD Systems,
- >CCTV Systems..
- >Digital adressable interface lighting systems..
- >Intercommunication systems..
- >Electrical infrastructure..
- >Eye biometry and cardpass systems..
- >Voice and Announcement systems..
- >Air Conditioning systems..
- >Escape Sign systems..
- >Data and telephone systems..
- >System rooms..
- >Enviromental and building lighting systems..
- >Team Management..
- >As built project drawings..
- >Payments, Estimation and Quantity calculations..

JUNE /2019-SEPTEMBER/2019

ROTAFEN ENERGY
ELECTRICAL SITE MANAGER
ETI MINING BORON PLANT PROJECT/ ESKİŞEHİR

- >Hv and Lv Systems experience..
- >Switchgears and generators..
- >Motor and drives..
- >Fire Alarm Control systems..
- >CCTV Systems..
- >Digital adressable interface lighting systems..
- >Intercommunication systems..
- >Electrical infrastructure..
- >Eye biometry and cardpass systems..
- >Voice and Announcement systems..
- >Air Conditioning systems..

- >System rooms..
- >Enviromental and building lighting systems..
- >Team Management..
- >As built project drawings..
- >Payments, Estimation and Quantity calculations..

OCTOBER/2018-MAY 2019

MAPA-YÖN TEKNİK YAPI A.Ş
ELECTRICAL SITE MANAGER
İSTANBUL GRAND AIRPORT MAIN LOUNGE PROJECT / İSTANBUL
>Hv and Lv Systems experience..
>Switchgears and generators..
>Motor and drives..
>Fire Alarm Control systems..
>CCTV Systems..
>Digital adressable interface lighting systems..
>Intercommunication systems..
>Electrical infrastructure..
>Eye biometry and cardpass systems..
>Voice and Announcement systems..
>Air Conditioning systems..
>Escape Sign systems..
>Data and telephone systems..
>System rooms..
>Enviromental and building lighting systems..
>Team Management..
>As built project drawings..
>Payments, Estimation and Quantity calculations..

AUGUST/2017-SEPTEMBER/2018

EPSILON CONSTRUCTION
ELECTRICAL SITE MANAGER
L AND T TYPE CLOSED PRISON PROJECTS..

>Hv and Lv Systems experience..
>Switchgears and generators..
>Motor and drives..
>Fire Alarm Control systems..
>CCTV Systems..
>Digital adressable interface lighting systems..
>Intercommunication systems..
>Electrical infrastructure..
>Eye biometry and cardpass systems..
>Voice and Announcement systems..
>Air Conditioning systems..
>Escape Sign systems..
>Data and telephone systems..
>System rooms..
>Enviromental and building lighting systems..
>Team Management..
>As built project drawings..
>Payments, Estimation and Quantity calculations..

JULY/2016-JULY 2017

GAMA POWER SYSTEMS

FIELD ENGINEER

**1.200 MW HAMITABAT COMBINED CYCLE NATURAL GAS POWER PLANT
/ KIRKLARELİ**

- > Hv and LV systems experience..
- >Gas turbine and steam turbine generators..
- >Step-up transformers..
- >Switchgears..
- >HV and LV Panels,Control Panels..
- >Motor and drives..
- >I&C Engineering..
- >Team management..
- >Payments, Estimation and Quantity calculations..
- >Emergency systems..
- >Test and commissioning..

SKILLS

COMPUTER:

REVİT,AUTOCAD,SOLIDWORKS,
MATLAB,MICROSOFT PROJECT, EXCEL,OFFICE,WORD,C++,C,
ARDUINO,PROTEUS,ARES
(EXCELLENT)

SUMMARY

Whom may it concern,

Firstly,I want to introduce myself to you, I am an Electrical & Electronics Engineer from Turkey, I finished two universities, One was mecatronics department in Kastamonu Universty and then I finished Electrical & Electronics Engineering faculty in Girne American universty, First of all, I worked as Electrical site engineer in 1.200 MW Hamitabat Combined Cycle Natural Gas Power Plant and L type Closed prison project, After ,I worked as Electrical site manager in T type Closed prison project, I worked as Electrical site manager in Istanbul Grand Airport Main Lounge Project, Eti Mining Boron Plant Project, Finally, I finished Wadi Arab Water Systems Project II in Jordan and I came back to Turkey, I want to work at your projects, Can you help me? I can send my CV to you. I am learning other languages like Deutsch, French ,Russian etc.
