

April Rose J. Santos

B.S IN ARCHITECTURE

PROFILE

April Rose J. Santos is a graduate with a Bachelor of Science in Architecture. During her academic career, She developed a strong foundation in architectural design, project management, and technical drafting. She's excited to apply her skills and passion for design in a professional setting. She's eager to learn and grow as she begin her journey in the field of architecture.

EDUCATIONAL HISTORY

BS OF ARCHITECTURE • (2018-2024)
MAPÚA MALAYAN COLLEGES LAGUNA (MMCL)

- Deepening my understanding of architectural theory, current technology, and professional practice. During this study, I focused on developing innovative and sustainable design concepts, as well as interior design.

SENIOR HIGH SCHOOL • (2016-2018)
MAPÚA MALAYAN COLLEGES LAGUNA (MMCL)

- Explore the principles of architectural design, construction techniques, and space aesthetics. Practical projects and collaboration in a creative academic environment helped me hone my design and analytical skills.
