OBJECTIVE

To utilize my technical skills and provide a professional service to customers by applying and honing my knowledge and working in a challenging and motivating working environment.

EXPERIENCE

Head waiter

Drougas foodhouse

I use to be the head waiter managing our small team, organizing tables and keeping all the needy things ready. I was given many responsibilities to handle all the tables and make sure we serve our customers in a best way. Keeping at the items in store up to date, and after five months I was on cash counter handling all the cash and giving report to our owner.

Salesman

Elante mall

I was hired as a salesman in Elante mall, keeping all the clothes up to date and well maintained. Handling the customers and telling them the right thing they needed from our store.

Salesman

Coca cola

I was hired in Coca cola and they gave me responsibility to go and sell in the market. It was a totally new experience for me as we have to deal with each and every owner of the store giving them the best discounts and always tried to sell more. Overall our owner was very happy as I did my best.

Customer service agent

Teleperformance

I was hired as a customer service agent and given responsibilities to handle the customer needs, complaints, and what problem they are facing while using our app. I did my best and after six months our manager told me to handle the freshers making them understand how to handle the customers what mistakes they are making hope to correct it. I gave my best and our manager was happy with my work.
