Dear Sir

It was with great interest that I read about a recent job opening in your esteemed organization. Please find my resume enclosed herewith for your reference regarding the position of Civil Engineer.

Review of my credentials indicates that I have successfully completed **B.E (Civil Engineering)** from **SARVEPALLI RADHAKRISHNAN UNIVERSITY BHOPAL M.P** Science,. Prior to this, & I have completed **Diploma In Civil Engineering** from **MANAV BHARTI UNIVERSITY SOLAN H.P**

Currently I have gained widespread knowledge in principles of various modules such as Construction Planning and Control, Site Inspection, Construction Contracts Law and Management, Project Management, Construction Safety and Quality Management.

My academic background has enabled me to accumulate a strong understanding in the varied facets of Construction/Infrastructure Civil Engineering industry such as performing quality control in accordance with procedures method statements, quality plans, inspection and test plans; managing projects and overseeing safety requirements.

With exceptional communication, listening and interpersonal skills, and my self - confidence, innovative approach and quick adaptability to changing processes and trends have been my biggest assets. I am a quick learner and can relate to people from all walks of life.

Sir/Ma'am, my goal is to transit my enthusiasm and the ability to work within a team and promote the spirit of team work among the members. I am a blend of academic which is evinced through my attached resume. I am certain that my skills will prove to be beneficial to your organization. As such, I would welcome an opportunity to speak with you and share my thoughts.

Thank you for your consideration and I look forward to hearing from you soon.

Sincerely,

MOHAMMAD FAIZAN AHMAD
PROJECT ENGINEER
