Sir/Madam

I'm graduated in Electrical and Electronics Engineering (B tech) from University of Calicut Kerala India. I have two year experience in Electrical site Supervising and designing field in STAR ASSOCIATE Kanjikode, Palakkad, Kerala, India. I have proven experience in all type of works under by us related to commissioning of transformers, DG sets, HT and LT cables wirings, CT & PT units, preparation of electrical schematic drawing and scheme for HT and LT.

Currently I'm working in ADNOC Distribution as a sales attendant from 2019 December to until now. I choose ADNOC as my work space because it's the easiest way to come UAE without any expenses. However it helped me to learn languages (Hindi & Arabic), culture, work atmosphere in UAE, customer relationships technique and I earn valid UAE Driving liscence.

As the job is not related to my profession. I'm not comfortable at this job, so I'm looking forward to a job which is related to my profession and where I can prove my Self.

Therefore, faithfully consider me as part of desired firm and an asset of this progressive journey.

Sincerely,

Salman Shareef AP
