CAREER OBJECTIVE

As a fresher I seek opportunities in any position to start with. I would like to earn experiences as its my first steps. Learning being a continuous process I give importance to acquiring knowledge and thereby growing myself in the process. I dream of a startup where I have the complete liberty to improvise and be innovative combining my knowledge, experiences and creativity. I would like to go step by step, clear and correct. Supply chain being an ocean of possibilities is surely a place to learn is what I believe. And with the growing technologies I am sure about supply chain industry having its golden times coming ahead.
