Objective:-

I want to be associated with a growth oriented organization which will allow me in developing my skills in a more challenging way. I can assure you that I can contribute more than my due share towards growth if placed in your organization. I will be readily available for the necessary test and interview at your convenience.

Educational Qualification:-

SSLC

Plus Two

Diploma in Mechanical Engineering

Project done during the study

PNEUMATIC FOOT STEP IN BUSES

The idea is to help senior citizens and children to board and/or get down busses, by providing an extra step at the end of the bus staircases, such that it can be extended and retracted as and when required. The step is required to be in extended (downward) position when senior citizen and/or children want to get down or climb up in any bus stop, and should be retracted (upward) position when the bus is in moving condition.

Computer Knowledge:--

Basic Knowledge

MS office

Communication skill:-

___English

Resume

___Malayalam

___Tamil

Appraisals:-

Dedicated, hardworking and result oriented.

Sociable, pleasing mannered and having good sense of responsibility.
