60%
- Govt High secondary school marayoor** 2021
Higher secondary
60%
- Mg University** 2024
Bsc computer science
56%

Skills

- Time management
- Service focused

Projects

- Bike rental system**
A bike rental system enables users to easily rent bicycles for short periods via a mobile app or website. Users locate available bikes, unlock them using the app, and pay for the rental. Rental stations are strategically placed for convenient pick-up and drop-off, and bikes are regularly maintained for safety. These systems promote eco-friendly transportation, reduce traffic congestion, and offer a convenient alternative to owning a bike
