Dear Sir,

I am writing to apply for the post of physics teacher in your school. I am a Post Graduate with B. Ed having 6 years of experience in CBSE schools and two years as a administrator. I have become an expert commanding students attention and managing both small and large classrooms. I believe these skills, combined with my ability to foster constructive learning environments make me an ideal candidate for this role.

Please find my attached resume for your reference.
I am looking forward to hearing from you.
