Sub: Application for the Graphic Designer / Final Production Artist

I recently came across your advertisement for a graphic designer, and would like to submit my resume and application for the advertised post. After perusing your requirements I feel that my qualifications and work experience perfectly match them. I hold a diploma in Graphic Designing and have a total work experience of 2 years. I am well versed in different areas of design and have successfully designed solutions for print media. My key duties and responsibilities include, among others, the following:

- * Meeting clients to discuss the objectives and requirements
 - * Understanding the client's needs and developing suitable concepts
 - * Estimating the amount of time needed to complete projects and production coordination
 - * Designing different types of illustrations and layouts as per brand guidelines
Produce excellent visual solutions
 - * working with large format printing machine, plotter & Laser Cutting, Digital Printing, UV printing, Sublimation Printing
 - * Very good knowledge about various types of printing processes digital, Screen Printing, UV Flat Bed Printing, Sublimation Printing, pad Printing
 - * Working alone or as part of a team as per the requirements of the project
 - * Collaborating with copywriters, photographers, printers, stylists, illustrators, and account managers to give the best service to the clients
 - * I am comfortable with Microsoft Windows latest version. In addition, I have in-depth knowledge about almost all top designing software, including the following: Adobe Photoshop, Adobe Illustrator, Adobe In design, and Adobe Acrobat Professional, Corel Draw X7, Microsoft office latest version and computer hardware software installation, Java, HTML ,computer hardware troubleshooting.
 - * Good communication and listening skills are paramount for a graphic designer and a team player to the core I have attached a copy of my resume as well as my portfolio for your reference. I hope you will find enough evidence of my capabilities as a Graphic designer in there to call me for an interview
- Thanking You Sir,

Your faithfully.
Mohammad Ameen
