**In quest of I.T.I Electrical positions in the field of:
~ Erection & Commissioning ~ electrical operation and maintenance**

CAREER SUMMARY

- ✓ A seasoned professional with **nearly 12 years** of experience in the Electrical domain. Scope of expertise covers:
 - Erection & Commissioning - Operations & Maintenance - Instrumentation
- ✓ Gained valuable experience and expertise in Electrical maintenance of Refind Oil factory & Steel and Pharma industry
- ✓ Talent for proactively identifying & trouble shooting electrical problems.
- ✓ Distinction of having Electrical Wireman certificate issued by A.P Electricity Licensing Board.
- ✓ An effective communicator with decision-making, problem solving abilities.

EMPLOYMENT NARRATION

- **Senior Electrician in M K AGROTECH PRIVATE LIMITED (SUN PURE OIL) (24.06.2023 to Till date)**
- **Electrical maintenance department in VIZAG STEEL-SMS-2 (25.08.2014 to 21.06.2023),**
- **Electrical Technician in HETERO DRUGS LTD UNIT-4 (09.08.2011 to 13.08.2014)**

Key Tasks Handled:

Operations & Maintenance

- ✓ pouch packing and tin packing machine handling and maintenance
- ✓ Handling Solenoids and proximity sensor & SMPS (switch mode power supply)
- ✓ Maintenance & operation D G (Generator)
- ✓ Overseeing execution of preventive maintenance of Electrical equipment in Vizag steel plant and pharma industry, including schedules / shutdown maintenance to ensure trouble free and seamless plant operations.
- ✓ Erection, testing, commissioning, Operation & Maintenance of low voltage Switch gears.
- ✓ Erection, testing, commissioning, Operation & Maintenance of high voltage switch gears.
- ✓ Studying and fault tracing of electrical control circuits as per the requirement and making necessary modifications.
- ✓ Erection, testing & maintenance of variable speed drivers.
- ✓ Preventive & Breakdown Maintenance of Variable frequency drives minimized the downtime & increasing the availability of equipment for production.
- ✓ Trouble shooting of LT/HT MCC Starters, Motors, Transformers & HT switch gear equipment.
- ✓ Experience on different types of control schemes, like belt conveyors.
- ✓ Preventive and breakdown maintenance jobs on the transformers.
- ✓ Operation & Maintenance of UPS, Batteries & Battery chargers.
- ✓ Overhauling & testing induction motors.
- ✓ Installation & maintenance of lighting systems like MV lamps, MH Lamps, Incandesce lamps, LED's, CFL lamps, as per industries standards according to area classification.
- ✓ Have complete exposure towards hazardous area classification, onsite safety systems and work permit procedures.

SCHOLASTICS

- ✓ I.T.I in Electrician from N C V T, A.P in 2006. Secured 75%.
- ✓ S.S.C with 58.33% in 2004.

TRAININGS UNDERGONE

- ✓ Undergone the following training programmes:
- ✓ **Apprenticeship Training in Electrical Department in K.C.P SUGAR AND INDUSTRIES CORPORATION LTD (15.03.2007 to 14.03.2008)**

KNOWLEDGE PURVIEW

- ✔ Deft in interpreting and understanding electrical wiring diagrams and wiring problems.
- ✔ Hands on experience of Electrical Switch Yards, Transformers u, Variable Frequency Drives, HT and LT Motors, MCCs, Vacuum and Air Circuit Breakers from commissioning to steady state operation.

PERSONAL DOSSIER

Date of Birth : 15th JUNE 1988
Languages Known : Telugu, English & Hindi
