Nationality: Jordanian, Marital Status: Single, Visit Visa

OBJECTIVE

A highly motivated civil engineer with good communication skills looking for a suitable opportunity in construction field. I am ready to join immediately either in a site or office position. I am qualified to handle both tasks.

SUMMARY OF QUALIFICATIONS

- Ability to work under pressure and deadlines
 - Considered reliable and hard working
 - Well oriented in working in team environments.
 - Excellent communication skills gained through essential reports and presentations during academic degree.
-

EDUCATION

Damascus University, Damascus ,Syria.

Bachelor of Science in Civil Engineering, 2017-2021

PROFESSIONAL EXPERIENCE

WORK EXPERIENCE

March-Oct 2021 **GCEC CONTRACTING CO**, Damascus ,Syria.
Construction Engineering Intern

- Engaged in the site construction activities of a huge residential project.
 - Analyzed the design drawings with respect to materials and implementations.
 - Participated in the supervision of concrete floor slab pouring.
-

IT SKILLS

- Microsoft office (Outlook, Word, Power Point, and Excel)
- AutoCAD
- E-Tab and Safe

GRADUATION PROJECT

Worked as a team leader to design three commercial buildings. The buildings were structured using one-way flooring slab system. Beams transfer floor loads to columns, walls, shear walls, and then to footings. Design of retaining walls was incorporated. The final design package was properly presented to the committee.

LANGUAGES

- Arabic: Native language
