ABOUT

A Software engineer with over 2 years of experience in the industry. Strong on a technical level, I have expertise mainly in Spring Boot, SQL, ETL, and Java.I thrive in collaborative environments, where I can leverage my problem-solving skills and creativity to tackle complex challenges. Whether it's developing new features, optimizing performance, or integrating systems, I am committed to delivering high-quality results and continuously improving my craft.

SKILLS

Frameworks/Libraries: Spring Boot, ETL,Google BigQuery

Databases: PostgreSQL, MySQL, Redis.

Testing Frameworks: Mockito.JUnit

Tools: Ms Access DB, Microsoft SSIS, Google Big Query, Jira, Liquibase, Data Warehousing, Salesforce, Netsuite CRM, Excel, npm, Git, and Github.

Programming Languages: Java, JavaScript, HTML5, and CSS3.

Others: Agile Methodology, Documentation, Problem-solving, Effective Communication, Leadership, Time management, Collaboration, independent work and Technical solutions.

EXPERIENCE

Gadgeon Smart Systems, Kochi — *Software Engineer*

August 2022 - September 2024

- Developed 10+ scalable features using Spring Boot, enhancing application performance by 20%.
- Integrated Redis for caching and Liquibase for database version control, improving operational efficiency.
- Designed and deployed CI/CD pipelines to automate software delivery processes.
- Collaborated with cross-functional teams to implement data-driven solutions aligned with business objectives.
- Optimized system performance through code refactoring and dependency management.
- Built ETL pipelines using Dell Boomi, integrating data from Salesforce, NetSuite, BigQuery, and relational databases.
- Integrated different data from salesforce,netsuite,big query,databases
- Conducted ETL testing and managed data warehousing tasks to ensure data integrity.
- Data warehousing
- Database Management
- ETL Processes
- Team collaboration,Communication,Attention to detail
- AWS, MS SQL,C#,Reactjs,CSS

EDUCATION

APJ Abdul Kalam Technological University — *Bachelor of Technology in Computer Science*

July 2018 - March 2022 (7.3 cgpa)

CHMHSS— *HSE in PCMB*

July 2015 - March 2017

LANGUAGES

English, Hindi, Malayalam.
