

# MOHAMED SHAJITH K

## PROFILE

Highly motivated and enthusiastic beginner to explore new domains and learn their basics with excellent communication skills in writing as well as in verbal and leadership experience. Having excellent interpersonal skills and team management skills, I will provide excellent service to the complete satisfaction of my employer

## EXPERIENCE

### DATA ANALYST - INTERNSHIP

Tiger Analytics | Feb 2022 - Present

Worked with a highly intellectual team for a pet product-based company to provide analytics and inferences on the customer-centric data. Derived and deduced various insights from the data provided. Applied machine learning algorithms like regression to predict ROI and used Power BI to create dashboards for visualization.

### MARKETING - INTERNSHIP

My Captain | Nov 2020 - Dec 2020

During the internship, I have gained experience in Business Development, Marketing and Sales along with a focus on Community building for creating an impact

## EDUCATION
